

Year 1

Autumn 1

Phonics

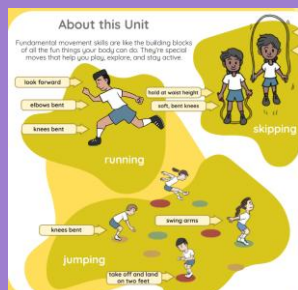

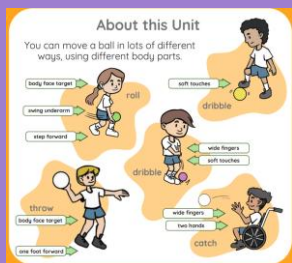

We will be learning the Set 2 sounds:

We will be writing simple sentences using a capital letter, full stop and finger spaces.

PE

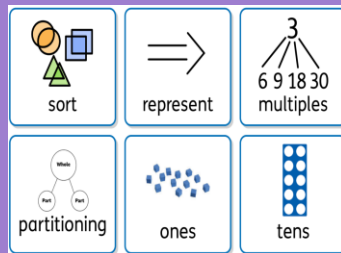

We will be learning about the fundamentals in PE and perfecting our ball skills.

Maths

We will begin by consolidating our knowledge of place value within 10:

- Sorting objects
- Counting objects
- Representing objects
- Recognising numbers as words
- Counting on
- 1 more
- Counting back from 10
- 1 less
- Comparing groups
- Fewer, more, same
- Less than, greater than, equal to
- Comparing numbers
- Order objects and numbers
- The number line

Music

This term we are focusing on 'Rhyming in Time'. We will be singing lots of nursery rhymes and counting songs!

Computing

We will be looking at the different types of technology in the classroom and the ways in which they help us. We will also learn how to use a mouse and computer keyboard.

Science

Our first topic is Animals including humans. We will learn about mammals, amphibians, insects, birds, reptiles and fish.

Art

In this topic, children will build an understanding about the way they can make marks on a drawing surface. They will explore how the way they hold a drawing tool, and move their bodies, will affect the drawings they make.

Geography

Here I Am

We will be locating our school in our local area and identifying local physical and human features on a map and during fieldwork.

RE and PSHE

In RE we will be learning What do Christians believe about God?
In PSHE our topic will be Being me in my world.
