

WHAT'S ON

WRAP

November | December 2025

BIG event

We are so excited for this event....The Roundswell Wrap Talent Show..... there's going to be laughter, music, and plenty of smiles!

THIS WEEKS MEET

My name is Tish, i am a Level 3 early years practitioner and I work at Little butterflies day Nursery in Fremington. I've been working with Children for several years and have always wanted to work with children since I was a little girl. In my spare time I enjoy spending quality time with Family and Friends making memories I can cherish forever.

I am Jake from FC Devon and I support Man U. My favourite player is Wayne Rooney and I think England will definitely win the World Cup this time.

ACTIVITIES

SPORT

FC DEVON COACHES

⚽ This half term, the children have been full of energy and enthusiasm during our sports sessions! Football has been a huge hit, with some brilliant teamwork and fantastic goals being scored. We've also enjoyed trying out cricket skills—lots of super bowlers and some very confident batters emerging!

INDOOR fun

Alongside the sporty fun, we've had some brilliant arts and crafts moments, with children creating drawings, bracelets, and Christmassy masterpieces. Our craft corner has become a cosy space for winding down after a busy school day. We have invested in even more arts and crafts. Glitter, card, stickers, lolly sticks, baubles...the list goes on

RAINY DAY FUN

rainy-day Favourites

Even when the weather keeps us indoors, the fun certainly doesn't stop. Our reigning champ of rainy-day games is Duck Duck Goose—and the children's speed, strategy, and laughter-filled sprints around the circle have become a regular highlight. It's lovely seeing everyone join in, from the quietest to the most competitive players!

Growing Confidence & Friendships

One of the nicest things this term has been watching new friendships form. Older children helping younger ones, shy children joining in group games, and everyone supporting each other—this is exactly what wraparound care is all about.

HOW TO
