

4th January 2021

Dear Parent

Following tonight's announcement from the Government, you are probably aware that we are now entering another period of National Lockdown.

This means that ALL schools will now be **closed** for all children other than Key Workers and the most vulnerable [Critical workers and vulnerable children who can access schools or educational settings - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/news/critical-workers-and-vulnerable-children-who-can-access-schools-or-educational-settings) with **immediate effect**.

The guidance is currently unclear with regards to Nursery provision in school settings. To this effect, the **Nursery will be closed tomorrow** whilst we seek further clarification. Children are not to attend school tomorrow.

We will contact you later in the day tomorrow with further information regarding the future Nursery provision in school.

We recognise that this is an incredibly worrying and stressful time for you all and hope that we can all be together again in school as soon as possible.

Please email if you have further questions.

In the meantime, take care and keep safe.

Kate
Head Teacher
